But unlike the Incenagas before her, she has survived. With her freedom restored, she should feel safe, invincible even. After all, she has the protection of Prince Erick's army and a power strong enough to obliterate any enemy. Yet Emmeline lives in fear for the next person who will try to control her, and no one can seem to find the tyrant threatening to claim her. Until it's too late. With everything on the line, and the enemy at her throat, will Emmeline be able to use her power like never before? Even if it kills her?
