1st World Library, United States, 2007. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.It was the custom of the geographers of a period not remote to grapple somewhat jejune facts to the infant mind by means of fanciful comparison: thus, Italy was likened to a boot, France to a coffee-pot, and the European domain of the Sultan to a ruffling turkey. In this pleasant scheme the state of New York was made to figure as a couchant lion, his massy head thrust high in the North Country, his forepaws dabbled in the confluence of the Hudson and the Sound, his middle and hinder parts stretched lazily westward to Lake Erie and the Niagara. Roughly speaking, in this noble animal s rounding haunch, which Ontario cools, lies the Demijohn Congressional District whose majority party was now in convention assembled. In election returns and official utterances generally the Demijohn District bore a number like every district in the land, but the singular shape lent it by the last gerrymander had settled its popular title till another political overturn should distort its outline afresh.
