

## The Message of Joshua (Paperback)

Filesize: 9.19 MB

### Reviews

*This publication is really gripping and exciting. It really is basic but unexpected situations in the 50 % in the book. It is extremely difficult to leave it before concluding, once you begin to read the book.

IVP Academic, United States, 2015. Paperback. Book Condition: New. 236 x 107 mm. Language: English . Brand New Book. The book of Joshua recounts the momentous events of Israel's entry into Canaan, the promised land: Joshua's commission and reassurance, crossing the Jordan river, the capture of Jericho and Ai, the grand covenant renewal ceremony at Mount Ebal, the curious treaty with the Gibeonites, and a rapid overview of the campaigns in the south and the north. The second half of the book gives extensive details of the allotment of the land to each tribe, before resuming the conquest story and concluding with farewell speeches and burial notices. It is an action-packed story but perhaps more than any other, Joshua is the Old Testament book that most troubles contemporary readers, whether Christians or critics: Isn't there too much violence, and isn't this inconsistent with the rest of Scripture, and the gospel? David Firth begins his excellent exposition with a careful and helpful response to this issue. However, while addressing the problems is undoubtedly important, we must also consider how the book continues to speak to us today as God's word. Firth's basic contention is that we have to read Joshua as part of God's mission, which for much of the Old Testament centered on Israel, but finds its ultimate focus in Jesus Christ. The book challenges those who have read it down through the ages to recognize that God not only includes those who join him in his mission, he also excludes those who choose to set themselves against it.
