The Lost Colony of Angiras (Paperback)

By Richard Walbaum

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In 2070, Earth is well into an age of peace and prosperity, where food is so plentiful it is given away. Aaron the explorer discovers the planet Angiras, a lost colony populated by millions of warring people. Aaron must make first contact and offer the king his assistance. His efforts put him on a quest to bring Earth technology to Angiras, and peace as it is on Earth, if they don't kill him first. Get a glimpse of utopia on Earth 50 years into the future based upon current fact, from electrogravitics, worm holes, and transport portals, to capacitors, imaginary numbers, and man's infinite unbounded inner nature. This is educational science fiction for young adults of all ages, and entertains while providing a glimpse into a utopia 50 years into the future based upon current fact. Experiences of higher states of consciousness are incorporated into the story (See Invincible America Assembly; Experiences of Higher States of Consciousness of Course Participants // Current technology already allows electrogravitics, worm holes, and transport portals, and forms the foundation of...
