CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 44 pages. Dimensions: 9.0in. x 6.0in. x 0.1in. We all like to think that our pre-teens are still little angels. But they have to learn about sex somewhere. Unfortunately, the author found that they may be learning about it on those long school trips - where just a few kids can put on a show - that all the other kids pay rapt attention to - and photograph with their iPhones. That's what happened on a trip the author went on and tells you about. From the author of a Top 100 Free for Kindle eBook, *The Killing of Train-Man Brown*, comes the controversial *Slow Foreplay on a Fast Bus*. It may be just enough, to make you give up all your many excuses for never going with your child. . . and accompany him or her on that next school outing. If you still don't want to go - at least take the most important piece of advice the author offers - about what NOT to send with your kid on such a trip. You have been warned. This item ships from La Vergne, TN. Paperback.
