Her father is disappointed in her because she refuses to help him. Despite this tension, she's perfectly happy living a normal life as an accountant. Well, except for the occasional need for the adrenaline rush. Cricket admits it - she's an adrenaline junkie. Even if her big scores are only ball point pens and occasional pranks on her boss just to irritate him. But in her defense, he's a supremely bad boss. When one of Ryker's clients vents about someone repeatedly breaking into his office and shows him the surveillance footage, Ryker immediately recognizes the woman's figure. He should - he's been watching that lovely form walk into the building every morning! When he accepts the assignment of his client to help track down the culprit, he has a fantastic time apprehending the beautiful cat burglar/accountant.
