It is a single of my personal favorite publication. It usually fails to charge an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.

ROWMAN LITTLEFIELD, United States, 2013. Paperback. Book Condition: New. 214 x 138 mm. Language: English . Brand New Book. Among South Carolina s many treasures is Charleston, a city of rich history. Since the first British colonists established Charles Towne in 1670, this city has been a study in contradictions - a beautiful coastal environment, magnificent architecture, and sometimes unspeakable cruelty. Haunted Charleston, a collection of stories of ghosts, mysteries, and paranormal happenings in the Holy City, will leave readers frightened and fascinated. Haunted Charleston includes twenty-five stories from the Ghosts at Dock Street Theater to the Haunted Graveyards, that will send chills up the spines of even the most daring ghosthunters. Each story includes notes on historical significance and local lore and readers will discover just how haunted and spooky this city is. A bibliography, a resources list of contact information to visit the haunted sites, and a brief Ghost Hunter s Guide for the region or city, are also included, giving readers the resources to explore the haunted areas for themselves.
