An incredibly great book with perfect and lucid answers. Better then never, though i am quite late in start reading this one. You will not sense monotony at whenever you want of the time (that's what catalogues are for relating to if you question me).

Bloomsbury Publishing PLC. Paperback. Book Condition: new. BRAND NEW, Disordered World: A Vision for the Post-9/11 World, Amin Maalouf, In this brilliant exploration of the post-9/11 world, leading Lebanese novelist and intellectual Amin Maalouf sets out to understand the urgent challenges the world faces today. Instead of seeing the current disorder of the post-9/11 world as a 'clash of civilisations' Maalouf sees it as the 'exhaustion of two civilisations', a period in which humanity has reached its threshold of 'moral incompetence'. Disordered World is a plea by one of the major writers of our time for intelligence, tolerance and a sense of urgency in order that we develop a mature vision of our patrimony, our beliefs, our differences and the future of the planet which is our common home.
