As Rachael helps she discovers if Chris goes back to his own time it will destroy her life as well as those of her mother and sister. Unsure what to do next Rachael decides to follow Chris back to the past. Using her knowledge of physics Rachael helps Chris repair the damage to the gravity generator and they create the wormhole to travel back. Chris has no idea about Rachael's plans and is shocked when she falls out of the time machine into 1949 a few minutes after him. However, the past is not as safe as it first seems.
