From the book cover: When Luke Veldt's thirteen year old daughter Allison died suddenly, he started to ask questions about the things he had always assumed were true: Is the Bible trustworthy? Is there really a God? Is Allison with Him? And yet the first place he looked for answers to his questions and comfort for his grief was the Bible, and he was surprised by what he found there. Luke discovered that the authors of the Bible, like him, were people who had struggled with real doubts and pain. He found that he was learning far more about God in his sorrow than in times of joy. And he unlearned many of the wrong assumptions he had about God, especially as he focused his attention on Psalm 103.
