It is just one of my personal favorite publication. It is among the most awesome publication i have read. It is extremely difficult to leave it before concluding, once you begin to read the book.

Simon Schuster Ltd, United Kingdom, 2008. Paperback. Book Condition: New. 174 x 112 mm. Language: English . Brand New Book. Join the little-known and even less understood heroes of police work in Las Vegas -- the Crime Scene Investigation squad-- as they battle to solve a gruesome and baffling case. A package, bearing no return address, arrives at the Anthropology Department of the University of Nevada in Las Vegas, where a shocked staffer discoves a genuine shrunken head inside. At first they assume it to be a historical relic -- until Gil Grissom and his remarkable team of forensic investigators establish that it s an all-too-recent murder, and that a serial killer with a distinctly unusual M.O. is on the loose.
