Cicerone Press. Paperback. Book Condition: new. BRAND NEW, Walking in the Thames Valley: 25 Adventurous Walking Routes, Steve Davison, Walking in the Thames Valley offers 25 challenging circular walks around the River Thames and River Kennet in the south of England, taking in the Southern Chilterns, the Berkshire and North Hampshire Downs, Southern Oxfordshire and the eastern edge of Wiltshire. All routes are within easy reach of Reading, Newbury, Abingdon and London. While some walks visit Iron Age hill forts, others pass more modern features such as Wilton Windmill and the Kennet and Avon Canal. Some follow sections of the Ridgeway, while others meander along the banks of the Thames. What they all have in common is that they take the keen rambler to some of the best parts of the Thames Valley - a patchwork of open chalk grassland, broadleaved woodland and farmland and home to two Areas of Outstanding Natural Beauty. Walks from 10 to 18 miles, including one 2-day route. Shorter, less strenuous alternatives for many of the walks. Detailed route descriptions with information on local points of interest, OS mapping and vibrant colour photographs.
