Litmus Press, United States, 2015. Paperback. Book Condition: New. Susan Bee (illustrator). 248 x 197 mm. Language: English . Brand New Book. Poetry. Art. Women s Studies. FABULAS FEMINAE contains two dozen profiles of famous women in a collaborative book project created by Susan Bee and Johanna Drucker. These two distinguished artists have combined their talents to produce a work that is contemporary in tone, a minor monumental tribute to a diverse gallery of heroic women from across history. The text was composed using a natural language-processing technique that samples a large corpus and compresses it algorithmically, mirroring the sampling techniques of collage practice in the visual images. Strikingly designed, with bold blocks of text that echo the graphic features in the imagery, the result is a fresh, engaging, and informative poetic work of historical and critical expression.
