Test Taking Skills are essential and for some almost as important as test preparation. Are you frustrated and tired of getting mediocre exam scores? Do you consistently make the same mistakes and fall for the tricks and traps test writers use to confuse you? This Book is the solution to your Test Taking problems. You will learn proven strategies and see your exam scores climb to new heights. The 3rd edition (released Sept 2012) is reformatted and includes two new sections. The table of contents is now click-able and additional resources are included at the end for those looking to push the envelope of academic success. Stop falling for the common traps your professors utilize. This book will teach you how to easily avoid these common pitfalls. You will develop a new test taking approach to difficult questions and learn how to solve those that you simply have no clue how to answer. The proven techniques demonstrated in this eBook will change your academic record in rapid fashion. Test Taking Success is closer than you think. Get the scores you deserve! Students over the years have been applying these techniques and have catapulted them to new heights. This is not magic or mystery, but straight forward strategies and skills that will improve exam scores. Get Inside The Mind Of Your Professor or Teacher!.
