Oliver's new book Who's In Your Pocket, the real cost of operating your business in America reveals the greatest threat to the American business owner, the epidemic of overcharges by service providers. It is estimated that 80 of all businesses are being overcharged without their knowledge. Those estimates reflect 250 billion in overcharges to the 52 million businesses and their owners who are overpaying for services in: Worker's Comp, Telecom, Leasing, Income Taxes, Insurance, Utilities, Property Taxes, Shipping, Waste Disposal and Sales and Use Taxes. Who's In Your Pocket takes a complicated subject and explains it in a language and with terms we can all understand. This ebook will be worth acquiring. It is actually written in basic phrases instead of hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.
