

Calm Is Greater Than Joy

By Ramesh S. Balsekar

Zen Publications, Mumbai, 2010. Soft cover. Book Condition: New. 23 cms. 184pp. Calm Is Greater Than Joy describes how the man of understanding lives his life without the sense of separation (without seeing the manifestation as the face of an enemy). The Sage is in perfect harmony with whatever happens in the manifestation. He is able to use his working mind because the me mind, the thinking mind, has merged into the Heart. Here four renowned Masters describe how they are able to live in samsara (in the eye of the storm) in total peace without isolating themselves. Their calm is quite contagious because the mind in them has stopped creating problems; they have no issues either with God or with the society they live in.
