Latin Heritage Foundation, United States, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Anthology composed of talented writers from around the World. The authors are genuine writers. Their stories come from places geographically and culturally diverse as USA, India, Canada, England, Nigeria, Philippines, China, Romania, Germany, and many more. The writers are committed to their origins and roots but each story shows a serenade of love and life, universal feelings, and however abstract, they are still the most important values as are the constant questioning of man's relationship to life and the vicissitudes that it offers. Deeply linked to the vicissitudes of history, the stories express both everyday reality and the mythic roots of its inhabitants. This is, without doubt, the form of creative writing more rooted in the World oral tradition. The authors, quite rightly, have earned a place in this book because once, long time ago decided to venture and penetrate the interiorities of the magic kingdom of literature and all the subtle range of feelings, motivations and commitments that such engagement involves- a decision sometimes confusing, sometimes vague, but carries however, both level of accuracy and knowledge of a language so much that sometimes trying to escape from its hands does not support art in any way. In it, you are, or are not. We can only wish you to enjoy reading these beautiful stories. If this occurs, this will be our greatest satisfaction, and we will be more than rewarded. #Anthology, #Worldliterature, #short-stories, #storytellers, #Worldwriters.
