Some few survivors built walled cities, fortresses to keep themselves safe from those the virus didn't kill. but did change. Sanctuary. A citadel in the heart of the former United States of America. Hundreds of miles in every direction beyond its walls lies nothing but death and devastation. Everyone who lives in the safety Sanctuary provides knows that. Until the day a stranger appears. She speaks of a green and fertile land far to the west, a land of promise and plenty, safe from the ruin the virus has wreaked. She has come to lead the survivors away from Sanctuary, to the promise of a new life without walls. But those who follow her will discover that not everything she says is true.
