

Puppy Talk.an Owner's Manual: Educating One Human at a Time (Paperback)

By Julie White Begany

Createspace, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Dogs speak their own language and unfortunately they don't speak ours. Oh if only they could hop up on the keyboard of our computer and communicate with us by typing out their needs, their pains, their feelings. a virtual paw-book of how to! Well that is where this little book comes in. In a fun, informative and applicable way, I will teach you how to think more like your dog so you can understand, for example, why your PUPPER chews your brand new shoes and why crate training makes perfect sense. When you apply canine instincts rather than human, you will find that the experience, and your PUPPER, become much less of a mystery. The goal is to set them up for SUCCESS by avoiding the pitfalls that have plagued every new PUPPER owner at one time or another, reducing anxiety. I will hold your paw as I introduce each topic with palatability and TLC, and together we will navigate the delight and insanity of bringing home your precious new PUPPER.
