Do you want to know how to succeed in 2016? If you answered yes, keep reading. What will this Amazon bestselling book do for you? Have you ever wondered why some people get promoted while others struggle to succeed? Do you feel stuck and want to move ahead? Early in his career leadership expert, Bryan Oliver, started to notice there were certain Habits successful people have in common. When he started to create these winning habits, his life started to improve almost immediately. The better he got at developing these winning Habits, others started to notice and asked him to help them. Bryan has coached individuals, just like you, to create the Habits that have propelled their careers forward in a short period of time and he can do the same for you. This short and powerful book will help you learn: - How the importance of surrounding yourself with like minded people affects your life - What the role perceived value plays in your success - Why doing more than what's expected will...
