Transactions of the Natural History Society of Northumberland, Durham, and Newcastle-Upon-Tyne Volume 1 (Paperback)

By Natural History Society of

Rarebooksclub.com, United States, 2012. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1867 Excerpt: .amongst the microscopic forms, would not be beset with any very serious difficulties. The recent publications of the Rev. M. J. Berkeley, the first living authority on this branch of botany, have much smoothed the way for students of the English species. His Outlines of British Fungology, together with the series of papers now appearing in the Intellectual Observer, constitutes an excellent guide. The only published memoranda on the Fungi of Northumberland and Durham are, so far as I know, those contained in Winch s Flora, which, of course, are very imperfect, and not at all consonant with the present state of science. Indeed many microscopic forms are there included amongst the Algae. The life-history of the terrestrial Algae and their relations to the young forms of Lichens and Fungi is a subject full of interest, and having in it work for a lifetime: a most...
