Xlibris Corporation, United States, 2007. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Ever since man has taken to the air, flight has exerted a strong, almost irresistible, appeal on many to follow a life of flying-not only to allow it to be more than just a hobby, but to make it one's avocation. Many who have followed this call have written of this journey and how they pursued the various forms of flying - their first flight, their first job flying for hire, and a look back at their career. In *The Outer Whorl, Essays by an Airline Pilot*, Neal Schier takes a slightly different tact in recounting his pursuit of flying, because paradoxically, flight itself was just one of the attractions that led him to follow the call that so many before him had heeded. His path was not the simple, almost linear progression, which has marked many aviators careers. Neal, in a continuum of twenty related essays, examines the unease of a quotidian life in a sterile office and the desperation that set in at a young age to pursue something outside of a normal career path. To see the world and learn of one's strengths and weaknesses while forging a profound appreciation for his fellow crew members. Through this pursuit came a deep appreciation for the allure inherent in aviation and a respect for the uncertainty that flits and flickers behind the beautiful mask that flight wears. This appreciation extends far beyond just the attraction of flight however, as he charts the admiration of strength and resolve that he finds in his fellow pilots, flight attendants, and other airline employees after the horrors of 9/11-an admiration won by the close work in an airliner...
