SHABISTARI: LIFE POEMS Translation Introduction Paul Smith. The Rose Garden of Mystery was composed as a 1000 couplet long masnavi poem in the form of questions and answers on spiritual matters by Mahmud Shabistari of Tabriz in 1317 at the request of his Spiritual Master. Since then it has been regarded as one of the finest books on Sufism. E.G. Browne in his classic work, History of Persian Literature calls this book On the whole, one of the best manuals of Sufi theosophy that exists. Rev. John A. Subhan in his Sufism, Its Saints and Shrines states, We know little about the life of the author. But his work is important out of all comparison with the importance of the author because it is a compendium of Sufi terminology in the form of question and answer. The correct rhyme-structure has been kept in this complete, modern translation and the beauty and meaning of this beautiful, mystical, poem. Pages 90.
