Sema Institute / C.M. Book Publishing, United States, 2006. Paperback. Book Condition: New. 264 x 202 mm. Language: English Brand New Book ***** Print on Demand *****. EGYPTIAN MYSTERIES VOL 2: Dictionary of Gods and Goddesses This book is about the mystery of neteru, the gods and goddesses of Ancient Egypt (Kamit, Kemet). Neteru means Gods and Goddesses. But the Neterian teaching of Neteru represents more than the usual limited modern day concept of divinities or spirits. The Neteru of Kamit are also metaphors, cosmic principles and vehicles for the enlightening teachings of Shetaut Neter (Ancient Egyptian-African Religion). Actually they are the elements for one of the most advanced systems of spirituality ever conceived in human history. Understanding the concept of neteru provides a firm basis for spiritual evolution and the pathway for viable culture, peace on earth and a healthy human society. Why is it important to have gods and goddesses in our lives? In order for spiritual evolution to be possible, once a human being has accepted that there is existence after death and there is a transcendental being who exists beyond time and space knowledge, human beings need a connection to that which transcends the ordinary experience of human life in time and space and a means to understand the transcendental reality beyond the mundane reality.
