Read this book to find out how. Praise for this book: The rules of the business world have changed and nobody has full grasp of the new reality. This book is an important step leading the business leaders towards the new normal. From use of technology to outsourcing to innovation the breadth and depth of thinking is seminal and intense. The best part about this book is the actionable nature of the content. Tony Fedorowicz Global Supply Chain StrategistYour business model might be broke, and you may not even be aware of this. This books offers a breath of fresh air in the world of business strategy dominated by staid Ivy League thinking which cannot see beyond its doorsteps. When everybody is thinking alike in general nobody is thinking at all. This book forces you to think afresh, and shows how you can apply your thinking in the changing global business environment to build enormous business advantage. Dr. Wolfgang Partsch Ex Global Head, Ernst and Young Supply Chain PracticeOnce every few years a business book comes along...
