Brand New Book ***** Print on Demand *****.If I could be the servant posted just inside the entrance to the Kingdom of God, The New Believer s Crash Course is the manual I would hand to you as you stepped in. One of the most wondrous things that God has done is to store life in seeds. Seeds are relatively small and plain. But, in the right conditions, after some time, a delicate seedling comes forth from the lowly seed. The seedling can grow into something strong and large that also produces more seeds of the same kind. People are born again by the incorruptible seed of the word of God. Newly born again people, like the seedling, are in a delicate state, and they are planted in the midst of a world that is generally hostile to the life inside. However, with the right nurture, they can grow into something strong and large, in spite of the surroundings. The New Believer s Crash Course maps out the bare essentials for not only surviving but also flourishing. This Crash Course contains time tested truths and tactics for strength of spirit.
