 Hard Cover. Book Condition: New. Dust Jacket Condition: New.  
 A psychological thriller about race, family, and the brutal power of raw emotion. Mrs. Ranelagh has never stopped thinking about the dead body she found in the gutter twenty years ago, during Britains Winter of Discontent. Mad Annie, as she was known, was the only black resident of her West London neighborhood and openly despised by the community. The police called her death an accident, but Mrs. Ranelagh has always suspected it was murder. However, her pleas for an investigation were met with a vicious hate campaign that drove her and her husband from the country. Now, determined to uncover the truth, Mrs. Ranelagh has returned to England, where she quickly discovers a sordid trail of domestic violence, racism and adultery that shockingly could lead back to her own family.
