Godfire Revival Discipleship Outreach, United States, 2014. Paperback. Book Condition: New. MR Nick Lewis (illustrator). 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Lynn Sheldon wrote Trusted Soldier and its companion book, Battle Plans, to help men find freedom from their pornography addiction, alcoholism, food addictions, and gambling addictions. One of the reasons most addicts have a difficult time overcoming their addiction has to do with their focus. They don't have a strategy. They run from one place to another hoping to experience their freedom. If they just tell their story enough they might experience victory over their addiction. Only problem, few ever do. Lynn spent years fighting to experience his freedom. After his salvation, sin held him captive for years. One day, at the point of wanting to end his life, Jesus set him free. After God set him free, Lynn used what he learned to help other men recover from their alcoholism, porn, and gambling addictions. He says, I show them the way and God sets them free. Lynn is not a counselor, nor would he tell you that everyone who has come to him experiences their freedom, but a large percentage do. He says the odds are in favor of those who are serious about freedom and follow his guidance by making a battle plan that works for them. Lynn shares that being free from an addiction is not about stopping the activity. For freedom to take place, the desire must die through a renewed mind and transformed heart. In Battle Plans, Lynn will teach you how to put your desire to death, as you learn to build your battle plan to win the war over your mind and heart, through the power of the Holy Spirit. Only through Christ...
