If you are looking for a heart-warming story for bedtime then look no further. Kids aged 3 - 6 will love this fishy tale about one small boy and his aunt and their attempt to go on a picnic together. They decide to sail to the Scottish isle of Dunbar Dell for a spot of lunch but very soon find that they are being watched!! Angus is scared at first but soon finds that there is really nothing to be afraid of. Colourful pictures of the strange creatures of the deep will keep even the most fidgety children engaged and give them plenty to think about as they (hopefully) drift to sleep.
