By Tony Buzan, Ray Keene

D&B Publishing. Paperback. Book Condition: new. BRAND NEW, Buzan's Book of Mental World Records, Tony Buzan, Ray Keene, The motto of the Olympic Games is faster, higher, stronger. And yet there are physical limits to what the athletic human body can achieve. Not so with the mind. The abilities of the human mind know no limit, and nowhere is this more apparent than in the sphere of mental world records. In this fascinating book noted brain expert Tony Buzan, the inventor of mind mapping, and international chess grandmaster Ray Keene OBE take the reader on a mesmerising tour of the outstanding feats of which the brain is capable. These range through the fields of memory, cards and board games, IQ testing and mental calculation of vast numbers. What emerges is that the power of the brain is virtually without limit. It is the most complex organism known to science and the amazing feats performed within these pages are within the grasp of anyone with the will to succeed.
