Reviews

An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Brian Miller)

EARTH STAR

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, Earth Star, Janet Edwards, The highly anticipated follow-up to Janet Edward's sensational YA sci-fi debut, Earth Girl. 18-year-old Jarra has a lot to prove. After being awarded one of the military's highest honours for her role in a daring rescue attempt, Jarra finds herself - and her Ape status - in the spotlight. Jarra is one of the unlucky few born with an immune system that cannot survive on other planets. Derided as an 'ape' - a 'throwback' - by the rest of the universe, Jarra is on a mission to prove that Earth Girls are just as good as everyone else. Except now the planet she loves is under threat by what could be humanity's first ever alien contact. Jarra's bravery - and specialist knowledge - will once again be at the centre of the maelstrom, but will the rest of the universe consider Earth worth fighting for?.
