Del Rey Books, United States, 2014. Paperback. Book Condition: New. Reprint. 208 x 138 mm. Language: English. Brand New Book. Few authors have had careers as successful as that of Connie Willis. Inducted into the Science Fiction Hall of Fame and recently awarded the title of Grand Master by the Science Fiction and Fantasy Writers of America, Willis is still going strong. All ten of the stories gathered here are Hugo or Nebula award winners--some even have the distinction of winning both. With a new Introduction by the author and personal afterwords to each story--plus a special look at three of Willis's unique public speeches--this is unquestionably the collection of the season, a book that every Connie Willis fan will treasure, and, to those unfamiliar with her work, the perfect introduction to one of the most accomplished and best-loved writers of our time.
