*Without doubt, this is actually the best job by any publisher. It is written in basic phrases instead of difficult to understand. You will like the way the author publishes this publication.*

Penguin Putnam Inc, United States, 2001. Paperback. Book Condition: New. 168 x 104 mm. Language: English . Brand New Book. Dear Reader, Those of you who are familiar with my books know that Ireland is one of my favorite places to visit, in real life and in fiction. It s a country of dramatic cliffs and quiet fields. One of myth and magic and legend. In Jewels of the Sun, I ve borrowed from some of those myths and created my own legend. It could have happened. I d like you to meet the Gallaghers of Ardmore: Aidan, Shawn, and Darcy, who run the local pub in this pretty seaside village in the county of Waterford. Not far from the village is a cottage, a place of magic where a lonely American woman comes to explore her roots and her heart. She won t be alone in the house, for there is another lonely woman in residence. She just happens to be a ghost. With the help of a faerie prince who loved well if not wise, Aidan Gallagher of Ardmore and Jude Frances Murray from Chicago will find their place, and take the first step toward breaking a hundred-year spell. I d like to take you back to Ireland with me, through the doors of Gallagher s Pub where the fire s burning low and the pints are waiting. I have a story to tell you.Nora Roberts.
