Lerner Publishing Group, United States, 2001. Paperback. Book Condition: New. Richard Hewett (illustrator). 214 x 149 mm. Language: English . Brand New Book. In this engaging beginning-reader series, readers are given the chance to watch as four endangered or threatened baby animals grow up. Simple, short sentences and captivating photographs portray the life of each animal as it develops and learns to live independent of either its human caretakers or its natural parents. Supports the national science education standard Life Science as outlined by the National Academics of Science and endorsed by the National Science Teachers Association.
