By -

Sage Publications Ltd, United Kingdom, 2011. Paperback. Book Condition: New. 234 x 155 mm. Language: English . Brand New Book. Censorship is alive and well in the art world. Artistic expression is as vulnerable in democracies as it is in authoritarian regimes when it comes to sex, religion and the limits of tolerance. From international shows in the Gulf and the Far East to leading museums and galleries in the US and London, contemporary artists fall foul of local laws and sensibilities. Index on Censorship examines some of the most recent cases, talks to celebrated sculptor Anish Kapoor about taking a political stand and travels from Iran to China to see how artists are subverting the constraints on creative freedom. Index on Censorship is an award-winning magazine, devoted to protecting and promoting free expression. International in outlook, outspoken in comment, Index on Censorship reports on free expression violations around the world, publishes banned writing and shines a light on vital free expression issues through original, challenging and intelligent commentary and analysis, publishing some of the world's finest writers.
