### ***Reviews***

*This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Variable, and therefore miserable condition of man! this minute I was well, and am ill, this minute. I am surprised with a sudden change, and alteration to worse, and can impute it to no cause, nor call it by any name. We study health, and we deliberate upon our meats, and drink, and air, and exercises, and we hew and we polish every stone that goes to that building; and so our health is a long and a regular work: but in a minute a cannon batters all, overthrows all, demolishes all; a sickness unprevented for all our diligence, unsuspected for all our curiosity; nay, undeserved, if we consider only disorder, summons us, seizes us, possesses us, destroys us in an instant. O miserable condition of man! which was not imprinted by God, who, as he is immortal himself, had put a coal, a beam of immortality into us, which we might have blown into a flame, but blew it out by our first sin; we beggared ourselves by hearkening after false riches, and infatuated ourselves by hearkening after false knowledge. So that now, we do not only die, but die upon the rack, die by the torment of sickness; nor that only, but are pre-afflicted, super-afflicted with these jealousies and suspicions and apprehensions of sickness, before we can call it a sickness: we are not sure we are ill; one hand asks the other by the pulse, and our eye asks our own urine how we do. O multiplied misery! we die, and cannot enjoy death, because we die in this torment of sickness; we are tormented with sickness, and cannot stay till the torment come, but...
