

## Further Essentials of Pharmacology for Nurses

By Paul Barber, Joy Parkes, Diane Blundell

Open University Press. Paperback. Book Condition: new. BRAND NEW, Further Essentials of Pharmacology for Nurses, Paul Barber, Joy Parkes, Diane Blundell, "The book provides an easy to follow introductory text for student nurses exploring the world of clinical pharmacology. Each chapter describes the contents and learning outcomes clearly allowing the student to easily navigate to areas they wish to explore. It uses uncomplicated language and case studies and questions that provide students with concrete examples, relating to real life situations, upon which they can develop their pharmacological knowledge and understanding. Clinical tips are clear and illustrate the key points that should be considered by the nurse in the real care giving environment, including acknowledgement of the increasing usage of complementary medicine." David Armstrong, Senior Lecturer, Northumbria University, UK "This new book explains specific common disease processes including anatomy and physiology as well as the medications/drugs which may be used! It will be essential reading for pre-registration nursing students who want to build on their existing knowledge." Margaret Dilger, Lecturer, University of Salford, UK This user-friendly guide follows on from the bestselling book Essentials of Pharmacology for Nurses, and is written for pre-registration nursing students looking for an accessible guide to..."
