Henry James finished the work on the story in 1897 and published the text which consisted of twelve chapters plus a prologue between January and April of 1898. James' agreement to publish his story in Colliers Weekly was connected to the precondition that he would publish it also as a book. In 1908, James published his complete works under the title 'The Turn of the Screw: The New York Edition.' The Turn of the Screw was published at a time during which the interest in Psychical Research and supernatural phenomena was very predominant. The Society for Psychical Research had been founded in 1882 of which James' brother and father were both members of. Thus, James was not only familiar with the cases of ghost apparitions but used these informations for his ghost stories among which The Turn of the Screw surely became the most important to date. In the preface of his 1908 edition he stressed however the fact that Peter Quint and Miss Jessel were not ghosts in the traditional sense as the Society of Psychical Research were observing. He pointed out that (.) Peter Quint and Miss Jessel are not ghosts at all, as we know the ghost, but goblins, elves, imps, demons as loosely constructed as those of the old trials of...
