Heinemann USA, United States, 2012. Paperback. Book Condition: New. 231 x 185 mm. Language: English . Brand New Book. They help you support the development of children s insight and compassion. Bullying Hurts guides students toward increased understandings about bullying behavior with a framework of five recommended read-alouds and accompanying lessons that help you: define and discuss the important lessons about bullying embedded in each book develop literacy skills and strategies, conversation, critical thinking, character analysis, and reflection connect read aloud experiences to the anchor standards for reading in the Common Core. Bullying Hurts does more than help children gain the insights and language needed to confront and neutralize the behaviors of bullies. It convinces us that by working together, we really can...
