Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The purpose of this book is to reveal the truth respecting who Santa Claus was and the roots of this Christmas tradition. According to conservatives, he is a white, big-bellied and long-bearded man. They insist that he along with Jesus Christ, God, and all of the disciples are white like themselves. Christianity, from their perspective is a white religion. They are blessed and the just inheritors of morality, wealth and privilege. Therefore, the 84 percent of the world's population and the rising minority - majority of people of color are the unjust and unworthy. At best, these people of color could become the Servants of the Servants of God. This perspective is false, xenophobic (fear of dark strangers), ethnocentric, racist and hegemonic. The book provides the argument and evidence to overturn the conventional view. The truth about who these most holy figures are revealed. Contrary to convention, they were neither Nordic, Northern European or Aryan like the ruling class of the West. The conquerors that are losing their grip on the majority of the world's population still control the media and movies that present themselves as the holiest and most just figures. This perception upholds the fading psychological control of people of color. It reinforces the divide and conquer mentality, the Stockholm syndrome of empathy for the oppressors and the inferiority complex among the conquered. In addition, it justifies discriminatory treatment, denial of subsistence, excessive criminalization, and death by police or vigilantes, incarceration, denial of educational resources and opportunities vital to social mobility for people of color. The real Santa Claus is revealed along with the relevance in terms of ethnocentrism and hegemony....
