Long-married business-and sparring-partners, the Caivanos are always looking for the next exciting business venture. When they are invited to Cancun to meet up with Parker, a Golden Boy full of promises, they are exposed to more than just a sweet business deal. While Worth, a financial and management expert, tends to approach each new venture with enthusiasm, his attorney wife relies on her intuition and skepticism to lead her decisions. After Parker tells the couple about the huge potential in strife-torn areas of West Africa, Niccola has some misgivings but is eventually lured into an innovative but complicated housing and diamond deal along with her husband. Things turn sour when one of the major investors is found beaten to death with strategically placed blows in an airport lounge and Worth, an Aikido novice, becomes a suspect. From Houston to Tel Aviv, Africa, and Antwerp, the intrepid couple must clear Worth s name and determine the actual killer-that is, until they witness a second murder and discover that they have been placed in serious danger.
