## ROOMS: NEW AND SELECTED POEMS (PAPERBACK)

Salt Publishing, United Kingdom, 2005. Paperback. Book Condition: New. 211 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Rooms is a collection of new and selected poems by Diane Glancy. The rooms are spaces from previous collections - spaces influenced by memory and the pull of the past on the present. This collection of poems walks a line between balance and imbalance and struggles for an alignment of fragmented experiences. It tries to put into perspective the disparities of survival. It seeks to reconcile history and a broken heritage that results from a collision of cultures. These poems, written from 1986-2004, include work from earlier collections, *The Relief Of America*, *The Shadow s Horse*, *Stones For A Pillow*, *(Ado)Ration*, *Boom Town*, *Lone Dog s Winter Count*, *Iron Woman*, *One Age In A Dream*, *Offering*, and a chapbook, *Coyote s Quodlibet*. The title is taken from an idea, *The Ames Room*, which was a demonstration created by Dartmouth Professor Adelbert Ames in the 1940 s to show that we can look into an off-sided room, yet it will appear in proportion because the way we think something should be shapes our perception of it. If the mind is a trickster shaping the misshapen into a familiar form and setting upright what has been turned on its side, what does a lopsided perception do? Does it skew what is not skewed? What if history, in this case, Native American history, has been turned on its side? How does the off-sided perception of the vanquished warp normal experience? *Rooms* is a calling together of the tribes. These poems are a campground of voices in council.
