## LEGO-Based Therapy: How to Build Social Competence Through LEGO-Based Clubs for Children with Autism and Related Conditions

By Daniel B. LeGoff

Jessica Kingsley Publishers. Paperback. Book Condition: New. Paperback. 128 pages. Dimensions: 8.3in. x 5.4in. x 0.4in. This complete guide to LEGOregistered Therapy contains everything you need to know in order to set up and run a LEGOregistered Club for children with autism spectrum disorders or related social communication difficulties and anxiety conditions. By providing a joint interest and goal, LEGOregistered building can become a medium for social development such as sharing, turn-taking, making eye-contact, and following social rules. This book outlines the theory and research base of the approach and gives advice on all practical considerations including space, the physical layout of the room and choosing and maintaining materials, as well as strategies for managing behaviour, further skill development, and how to assess progress. Written by the pioneer of the approach alongside those who helped form it through their research and evaluation, this evidence-based manual is essential reading for anyone interested in running a LEGOregistered Club or learning more about the therapy. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
