Polis Books, United States, 2016. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book. Dominick Prince returns. Probably against his better judgment. Dominick Prince went through hell to make his dreams come true. He has a book deal, time and money to write whatever he wants, and a marriage to his college crush with a child on the way. But instead of working on his next book, Dominick spends his days as a mindless office drone at the university cancer center while his wife chases bail jumpers. When an old friend reappears to call in a favor, Dominick sees an opportunity for a little excitement. The plan seems simple. Dominick will use his access at the hospital to help steal the last remaining piece of her murdered lover: a sperm sample left during prostate cancer treatment. Standing in their way are a pair of brothers who find kidnapping potential children superior to kidnapping actual children, and Dominick s wife who has her own plans for it. Torn between his wife s wrath and the debt he owes his friend, Dominick taps into the most devious parts of his crime fiction training to write himself a proper ending where he saves the day, saves the girl, and lives to write another day. Unless he blows it all to hell.
